

## **General Manager**

Our client is an integrated healthcare provider offering a comprehensive range of services in specialist medical care and general practice medicine. They are currently looking for a dedicated leader to oversee the business operations of one of the healthcare facilities under the group.

### **Responsibilities:**

- You will be responsible for providing multi-disciplined leadership across all functions of the healthcare facility
- Maintain a high level of operational efficiency including quality care and service standard
- Assess and recommend improvements to the quality of service extended to the patients
- Staff development

### **Prerequisites**

- Possess exceptional leadership and management skills
- Passionate about extending the best level of care to the patients
- Strong people managers with P&L experience from the healthcare and VWO sectors will be favourably considered
- Bilingual with strong communication skills

**All applications will be treated with the highest level of confidentiality.**
